

Main specifications

Parameters	Min	Max	Units
Lifting height		2	m
Folding height	1.1		m

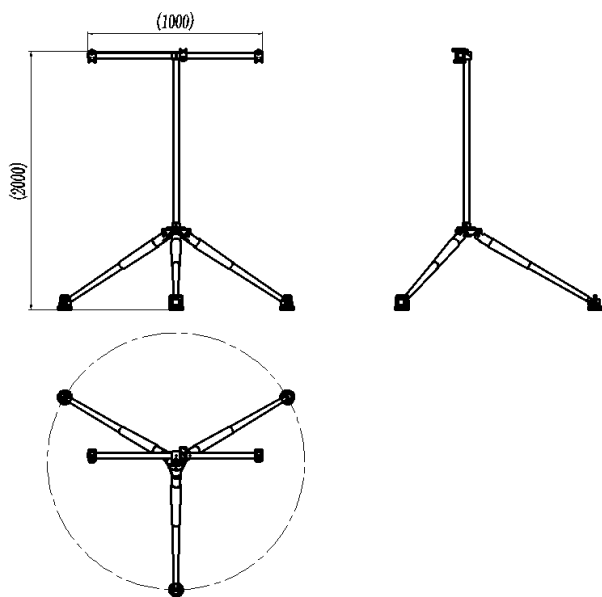

Reference picture

Other parameters

Connector	
Outline size	2128*131*1009mm
Estimated weight	2.8Kg
Material	环氧玻璃纤维
Surface	Spray green three proof paint
Work Temp.	-45~+75°C Design assurance

Configuration(mm)

Note

Avoid collisions during installation.

The support rod should be perpendicular to the ground to prevent antenna damage.
