

参考实物图

外形结构图 (mm)

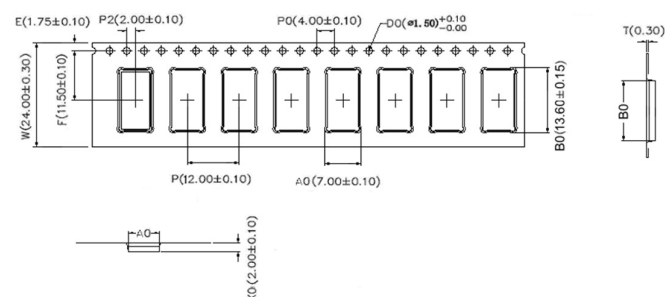

Figure 1: Dimensions and layout of the antenna. (a) Top view of the antenna with dimensions: 13.3, 1.9, 2.54, 6.5, 0.8, 1.5, and 2.54. (b) Side view of the antenna showing a height of 2.1mm. (c) Bottom view of the antenna showing the layout of the antenna elements and the location of the feed point. (d) Schematic diagram of the antenna showing the input and output ports, the feed point, and the dimensions of the antenna elements.

载带和卷轴

Technical drawing of a circular reel. The drawing includes a side view on the left showing dimensions: 10, 1.6, 80.5, 177.4, and 24.10. The top view is a circle with a central hole of diameter $\phi 13$ and an outer diameter of $\phi 21$. There are four semi-circular cutouts on the outer edge, each with a radius of 2.0. A table on the right provides material and quantity information. The drawing is labeled 'Reel side' and 'Pulling side'.

Material	PS
Unit	mm
Tolerance	± 0.20 mm
Quantity	1000/reel
